

# AHAMED ABDUL RAHMAN

FRONT END DEVELOPER

## PROFILE

Passionate and skilled Front-End Developer with 1 Year experience in HTML5, CSS3, Bootstrap 5, and JavaScript. Proficient in creating responsive, user-friendly web applications and collaborating effectively using Git/GitHub for version control. Dedicated to continuous learning and development, with certifications in Web Development and UI/UX Principles to enhance user-centered design and functionality.

## WORK EXPERIENCE

### Lumos Technology | Front End Developer 2024- Present

- Developed responsive, mobile-first web interfaces using HTML5, CSS3, JavaScript, and Bootstrap.
- Integrated front-end with back-end services, optimized performance, and ensured cross-browser compatibility.
- Collaborated using Git/GitHub for version control, testing, and delivering high-quality user experiences.
- Interacted directly with clients to gather project requirements, clarify bug fixes, and ensure successful project delivery.
- Created UI designs using Canva and Photoshop, and developed test cases to ensure functionality and quality.
